

Risk for the Cause of Christ

ADOPTING & STRENGTHENING CHURCHES

Since March 1, the whole country is in Level 1 when it comes to the pandemic. We are now more free to gather together as a church and is allowed with a 100% capacity attendance yet face mask and vaccination are needed. We just resumed our Men's Breakfast Fellowship every Saturday

where we hope to develop future elders and deacons from this group. Our young people and young adult's ministry went back to their face-to-face fellowship dealing with "Trending Lies and Timeless Truths". And by the third week of this month, we will inaugurate our new planted church, about 18 kms from our place of worship. We've used the pandemic-lockdown period to train a team for the said church planting work and by now they are ready for it.

Sovereign Grace Churches, through the leadership of Dave Taylor, sent us a fund for the said church planting work where we

will use for the rent of the place of worship for 4 months and the other ministry stuff needs like chairs, tables, sound system, etc. Moreover, we also received a fund from SGC to help ten families greatly affected by this pandemic-lockdown. Now these families have a growing income as we teach and guide them in having a sustainable micro-business where they can have a good living and provide for their family. In addition to this, through the fund of SGC, along with the generosity of Covenant Life Fellowship in Oregon, they've sent us a fund for church members who were hospitalized due to Covid-19. I remember one of our key leaders who was infected and got hospitalized and their bill reached to a staggering \$1.2M. With all the help of the brethren in our church and the said SGC fund, they were able to pay this bill but above all he recuperated from a severe infection of COVID-19 and they were grateful for SGC

We will be forever grateful for such love and generosity by Sovereign Grace Churches to the churches here in the Philippines.

for all their prayers, love and support. We will be forever grateful for such love and generosity by SGC to the churches here in the Philippines. We are humbled to be part of this denomination, indeed His church is the dearest place on earth.

JEFFREY JO is the Senior Pastor of Cross of Christ Salvation Gospel Ministries in the Philippines.
